

SCHNEIDER DOWNS

Big Thinking. Personal Focus.

# Construction

The Schneider Downs Construction Industry Group delivers strategic, results-driven solutions to address the complex business and accounting challenges facing the construction sector.

We support construction firms of all sizes, ranging from general and heavy-highway contractors to specialized trades. Our clients include family-owned businesses, private equity-backed entities and publicly held companies with local, regional or global footprints.

## Construction Industry Services and Solutions

In the construction industry, trust is everything. With decades of experience, we are trusted partners helping firms strengthen every aspect of their business through tax, accounting, digital, and advisory expertise. Our team delivers the services that matter most, including audit and assurance, business advisory, state and local tax, wealth management and exit and succession planning, along with specialized support tailored to the industry's unique challenges.
