

Energy & Natural Resources

Oil and Gas

For over four decades, Schneider Downs has provided specialized financial advice and services to our clients in the oil and gas industry. Our extensive knowledge of industry issues enables us to provide proactive audit, tax and management consulting services.

Our team of seasoned professionals helps clients succeed by providing solutions for operations, mergers and acquisitions, liability issues, joint interest billing, overhead charge reviews and tax planning.

We serve companies in all areas of industry, including upstream, midstream, downstream and oilfield services for clients comprised of family-owned entities, entities with public/private equity and venture capital investors—as well as those that are local, regional and global.
